

So Long

Capo on 3rd fret

C

F

G

Fm

Am

First Verse

C G F C
Black is the colour you've painted my innocent heart
C G F C
Dragging me out of the sunlight and into the dark
G F C
I couldn't pretend to enjoy what I saw
G F C G
I couldn't disguise I was left wanting more, not the same
C
Of your beautiful name

Second Verse

C G F C
Tremors envelope my body when thinking of you
C G F C
Medicine can't even reverse all the bad things you do
G F C
My muscles are weak and my bones misaligned
G F C G
You came to my bedside but only to make sure I signed
C
Now you've left me behind

Chorus

F Fm
So long the life I planned
C
Written in the sand
Am
Washed out by the tide
F
There's nowhere left to hide
Fm
Laying side by side

Third Verse

C G F C
Everything I have amassed now is given to you

C **G** **F** **C**
All of the things that I promised I'd never renew
G **F** **C**
So now I must start once again from the floor
G **F** **C** **G**
But this time I'll let no one in, there's a lock on the door
C
I can't take any more.

Chorus

F **Fm**
So long the life I planned
C
Written in the sand
Am
Washed out by the tide
F
There's nowhere left to hide
Fm
Laying side by side
