On a day

Like today

All the endings disappeared, they drained away

The new regime  
**E2 E1**  
Was down and out  
**E3 E1 E2 E1 E4 E1**  
It sort of was, it never was. It could have been

## Chorus

**D#m A E**  
But I dont want to talk at all  
**D#m A E**  
Cause your bullet took my heart right through the wall  
**D#m A E**  
But I dont want to talk at all  
**D A**  
I don't want to talk at all

Into the night  
**E2 E1**  
Of green and gold

Every turn

Just like the last

The dice are rolled, the engines warm, the tables turned
